RULES & REGULATIONS

This Exhibition will be governed by the show rules of the Calgary Poultry Association.

ENTRIES AND EXHIBITS

1. Entries close Saturday, November 27th, 1965. Mail entries so as to reach Poultry Association's Office by that date. **Address mail** to Calgary Poultry Association, Box 503, Calgary.

2. No entries will be accepted unless accompanied by the required fee.

3. Birds shown in classes for singles may compete for special prizes with this exception: no bird may be shown in more than one class.

4. No birds may be shown from flocks which have had an infectious or contagious disease for at least six weeks prior to date of closing of entries, and exhibitors who make entry do so on the distinct understanding that they agree to abide by this regulation, and guarantee that their stock has been free from disease for the period stated.

5. The Committee reserves the right to reject birds suffering from disease or shown in an unfit condition, and to order the removal of such birds from the building at any time. This rule will be strictly enforced.

6. Leg bands are compulsory for all birds, and the band number of each bird must be stated on the Entry Form.

NOTE—The above rule must be complied with. The leg band numbers must be on the Entry Form.

7. Variety and Color must be stated on entry form for all birds entered in AOV or AOC Classes.

8. Exhibitors are requested to distinctly tag each compartment of their shipping coops as to the birds they contain.

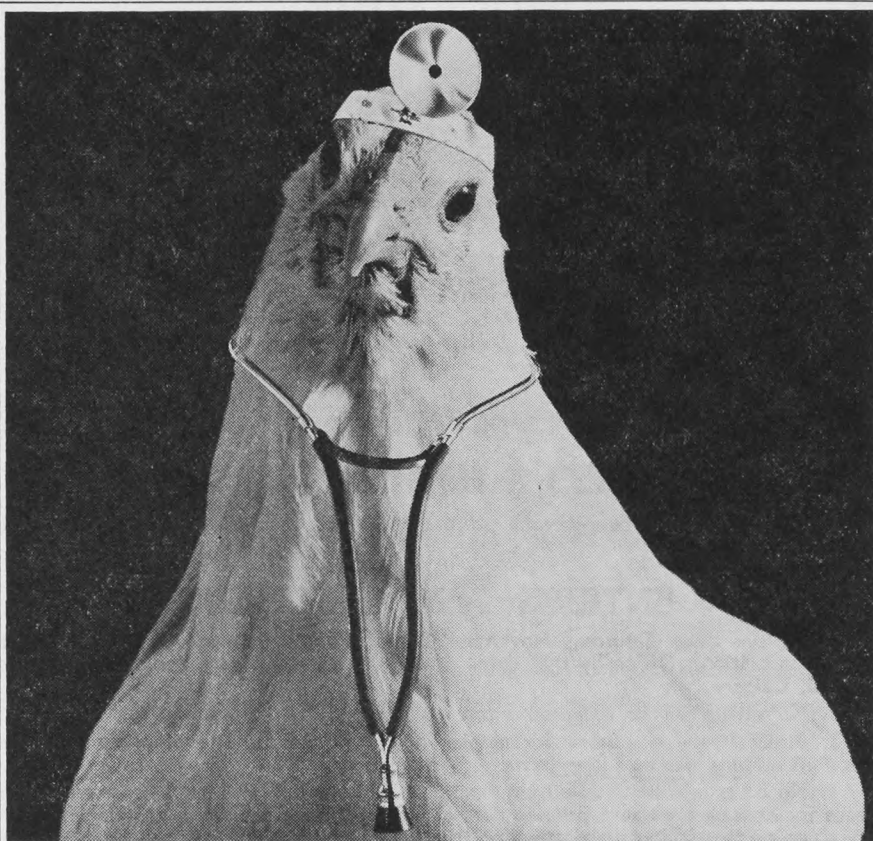

9. All Exhibitors must be members of the Calgary Poultry Association for 1965-66 Membership fee, \$1.00, must accompany entries, if not previously paid. The membership year is from February 1 to January 31.

Birds Must be Shown in Natural Condition

10. All specimens, except Games and Game Bantams, must be exhibited in their natural condition. Cocks and Cockerels in Game and Game Bantam classes must be dubbed.

Eggs Gathered

11. All eggs gathered from the coops during the show will be the property of the Association, except such as may be gathered by the owner of the bird or his agent.

What's the solution for Coccidiosis, Doc?

At the first sign of coxy — or as soon as a diagnosis has been made, add AMPROL Solution to drinking-water supplies (or automatic water proportioners). This fast, convenient treatment will usually bring the disease under control with a rapid return to normal feed consumption — and a quick drop in mortality.

AMPROL Solution does not reduce feed consumption, slow up growth, decrease subsequent fertility and hatchability, and produces no undesirable side effects.

AMPROL Solution is available from your supplier of MSD Animal Health Products.

AMPROL 9.6% SOLUTION

MERCK SHARP & DOHME
OF CANADA LIMITED MONTREAL

CLASSIFICATION

12. Each class is divided into five sections, viz: Old male (Sec. 1); old female (Sec. 2); young male (Sec. 3); young female (Sec. 4); trios (Sec. 5). Prizes in each section to be in accordance with the number of birds in the section, as per printed table of prizes.

PLACE AND TIME OF SHOW

13. The Agricultural Building, Exhibition Grounds, where the show will be held, will be open to receive exhibits at 10:00 a.m., Sunday, December 5th. NONE WILL BE ACCEPTED UNDER ANY CIRCUMSTANCES LATER THAN 9:00 A.M., MONDAY, DECEMBER 6th.

JUDGING

14. Judging will commence on Monday, at 10:00 a.m.

EXHIBITORS WILL NOT BE ALLOWED IN THE CORRIDORS IN WHICH JUDGING IS IN PROGRESS.

15. The above rules do not apply to exhibitors in Turkey Classes, in which case exhibitors are required to hold their birds for the judging. As none save competent, experienced and trustworthy people will handle birds during the judging, exhibitors may feel assured that their birds will receive the best of attention.

16. The latest revised American Standard of Perfection shall be the guide in all standard varieties.

17. Birds competing must be fair and reasonable representatives of their type and breeds and must show sufficient merit to warrant an award.

18. The judge shall have power to withhold awards at his discretion, and will be instructed to the effect that no award is to be given unless the exhibit is worthy.

PROTESTS

19. An exhibitor in the class affected, or an official of the Poultry Association, may make a protest. All protests must be in writing, accompanied by \$10.00 setting forth the reasons for the protest, signed by the protestor, and must be made within 24 hours after the award is made. In case of infringement of the rules, the Show Committee may take action without a protest being filed.

GENERAL RULES

20. No one except the officials and attendants of the Show will be allowed to handle the birds on exhibition without permission from the owner, and any exhibitor caught tampering with or in any way injuring birds or the plumage of birds of any other competitor will disqualify himself and any premium or premiums he may have won will be withheld. This is in no way intended to prevent exhibitors from handling their own birds during the Show, but it is intended to prevent others from doing so.

21. Exhibitors giving authority to others to handle their birds must so notify the Calgary Poultry Association, and the Association will not be responsible for birds handled by other than Show Officials.

22. No exhibits may be removed from the Show until after 9:00 p.m. on Wednesday, the closing night of the Show.

23. The Association will not be responsible for loss from any cause whatever, but will exercise all reasonable vigilance in the care of specimens.

24. Auction regulations will apply as noted in Producer and Commercial dressed classes.

25. When entries warrant, Extra Classes will be added if called for by Judge and Manager. We reserve the right to limit entries if necessary.

26. All entries must have been the bona fide property of the exhibitor for at least 30 days prior to the show.

27. All Exhibitors are entitled to a free pass, which must be obtained from the Show Superintendent either prior to or during the show.

DISPLAY — An Exhibit must consist of at least Cock, Hen, Cockerel, Pullet, in any one variety.

BREEDING PENS — To consist of 1 Male, 2 Females. Same prize as Turkeys.

PENS — Pen consisting of 1 Male, 2 Females, will be provided in Classes 1 to 108. When making entry use Class No. Section 5.

MASTER LAYING FEEDS

You can depend on Master Laying Feeds. Not because WE say so . . . but, BECAUSE 27,624 RESEARCH HENS at the Master Feeds Farm have said so, in six years of experimental feeding.

That's the number of hens they have used to select the ingredients that pay best in actual dollars and cents. These are the ingredients that go into Master Laying Feeds. So feed Master and make more money. Give us a call. Our prices are right.

Terramycin Poultry Formula

Gives birds a healthy start. Because it provides higher blood levels, Terramycin fights CRD, Bluecomb, Sinusitis and other Poultry diseases more effectively. Helps to end laying slumps and prevent setbacks at times of stress. Also disinfects the drinking water.

ROOSTER CROWING CONTEST

How Many Times Will a Rooster Crow in 15 Minutes?

1. The 1965 Alberta Provincial Poultry Show Rooster Crowing Contest will be held December 6th & 7th at 7:45 p.m. The finals will be held on December 8th, at 7:45 p.m.
2. The contest is open to the world.
3. No entry fee required.
4. All exhibitors interested in this contest, state on entry form.
5. Top three winners daily will compete for the championship on the final day of the show. Number of crows that the birds have on their winning day will be added to the number of crows in the finals. The bird with the largest total for the two days, wins the championship.
6. Any ties will be "crowed off".
7. Roosters will be penned in individual coops and handlers may use any method to get their rooster to crow without touching the birds. Gimmicks used to get rooster to crow are talk, clap side with hands, throwing them food, keeping rooster's coop covered to keep out light just before putting in the contest coop, etc.
8. Exhibitors can bring their rooster to compete any day and take home that night or they may leave it for complete contest.
9. Judges will be announced by the committee and qualified recorders will be assigned to record the number of crows during the specified time.

PRIZES:

Suitable prizes will be awarded to the winners each day and to the final winner.

"BUY BY GRADE"

This slogan still contains the soundest advice that can be given the consumer of Canadian agricultural products.

The grade mark has become the symbol of quality. It takes the guesswork out of shopping, allowing the housewife to buy with confidence.

Egg grading, for example, is in effect in every province and the name "Canada" appearing before the grade on a container of eggs is its stamp of integrity.

Similarly, the sale of poultry by grade is compulsory in Calgary and many other cities across Canada.

Natural Gas Serves You Best

...ON THE FARM ...IN THE CITY

Natural gas is the preferred fuel for those important farm jobs — irrigation, grain drying, heating the work shop, for hot water and steam cleaning equipment, heating animal feeding areas and watering troughs, farm building heating, and for cooking and clothes drying in the home.

Household jobs in the city are easier through the use of natural gas for water heating, home heating, clothes drying and air conditioning.

CALGARY POULTRY ASSOCIATION

Box 503,
Calgary, Alta.,
November 9, 1965.

Dear Poultry Raiser, Fancier, & Friend:

Once again the "Calgary Poultry Association" takes pleasure in presenting the 51st Annual Poultry Show, and enclosed find Prize List with entry forms, to be held at the Agriculture Building, Exhibition Grounds, December 6th, 7th & 8th, 1965.

Last year we had approximately 2,500 entries from all parts of Canada and we are anticipating the same this year, therefore, those who are participating please have your entry forms in by SATURDAY, NOVEMBER 27th, 1965, along with your membership fee of one dollar (\$1.00), and your cheque or money order for your entries. Enclosed also find one book of Admission Tickets and we would ask you to return one dollar (\$1.00) for same.

Our usual social evening will be held on Tuesday, December 7th, 1965 and we would like to see all members bring their wives or girl friends to this function.

We would like all members to invite their neighbors and friends to this show to make it that much more successful and advertised. It seems that every year a lot of people hear about our show, which is one of the best in Canada, after it is over with and therefore each and everyone of you should make it known to all of your associates.

It is regrettable that the price of admission is now raised from twenty-five cents (\$.25) to fifty cents (\$.50), the entry fee has been raised twenty-five cents (\$.25) also but due to the rise in costs we have had no alternative but to follow in line with this, however, where else could you see a shop of this type for such a small fee.

Your executive look forward to seeing you at Showtime and to re-new old and new acquaintances.

Yours very truly,

(Bert Jeffery) President,
Calgary Poultry Association
